Finals

The Waverley season is now over and finals will be commencing on Monday 16th June. All our teams have made the finals - congrats girls (it must be due to our snazzy new uniforms ☺)!

There are only two weeks of finals so the teams who win the first final will go straight through to the grand final on Monday 23rd June. Good luck to all teams, hopefully this season can be even more successful than the last!

Training

Bec, the state league coach, has been running some fantastic training sessions this season and all players have been able to get a lot out of the sessions.

A reminder to all Waverley players that your attendance is compulsory and all social players are welcome. The times and dates for the training sessions are outlined in the calendar above and are also detailed on our website (www.monashnetballclub.com.au).

Trials for Social Teams

The social netball competition is being revamped to bring you a better competition! As a result there will be trials held on Monday 14th July (Week 1 of Semester 2) from 5:30pm to 7pm for players wishing to play in social teams. Uniforms will also be compulsory next season (navy bottoms and a Monash University Central polo, which can be bought at a cost of \$15).

Annual Sports Ball

The date for the annual sports ball has been announced - Saturday 16th August - so put it in your diaries! Details are as follows:

Date: Saturday 16th August
Time: 8pm
Where: Banks Rowing Club, Boathouse Drive
Tickets: \$50 (includes beer, wine/champagne & finger food)
Dress: Formal

This a combined event with the Monash Blues Football Club and is sure to be a highlight on the netball club calendar, so grab some friends and get set for a great night!
