## About Us

Monash University Central Netball Club provides the opportunity for students, staff and community members to play netball at any level, ranging from a social to state league level. The club currently has approximately 30 women's teams and mixed teams - entered in the Monash Sport Evening Competition, Waverley Night Netball Association, Parkville Netball Competitions and State League. Some club members are selected to represent Monash University at the annual Australian University Games (AUG's), which will be held in Melbourne in September 2008. The club also organises a range of social events throughout the year including a trivia night, the annual sports ball, the club presentation night and numerous BBQ's.

## 2007 Spring Season Results

In December last year, three Monash teams made the grand finals in their respective divisions in the Waverley Spring competition. Unfortunately, Monash Silver lost as did Monash Diamonds, although in a very narrow finish. However, Monash

Platinum was more successful coming out victorious in a nail biter (one goal!) - congratulations to the Platinum girls!

What a way to finish off such a successful year for the club!

## 2008 Season Trials

We will be holding the trials at the end of February in order to determine teams for the 2008 season. The state league club will be supplying selectors and.
